

## Certificate in Processwork Requirements

March 2016

### **Total Contact Hours: 200 hours**

### **Individual Processwork Mentorship: 25 hours**

The Mentor provides one-on-one Processwork sessions to support the student's emotional, interpersonal, intellectual, professional and spiritual growth. The Mentor is also responsible for monitoring the student's progress in completing the required hours, assisting the student in creating the learning agreement, and assessment of the Summative Project

- 20 out of the 25 Mentorship sessions must be with the same Processwork Diplomate. 5 sessions may be with any other diplomate(s) of student's choosing (but may also be with the Certificate Mentor). Students must choose their Certificate Mentor from the Process Work Institute Faculty.

### **Processwork Training: 175 hours**

EITHER

- PWI Winter Intensive (completed within 12 months of enrolment), and
- 25 hours of additional training with a Processwork Diplomate (in or one or more of the 6 topic areas listed below).

OR

175 training hours with a Processwork Diplomate across the 6 following areas (student may choose to specialize, however all topics should be included)

- Bodywork: topics include symptoms and illness, near-death and coma work, and movement
- Relationships: topics include couple work, conflict work, family work
- Inner Work/Individual Work: includes dreams, dreaming, creativity and life myth
- Group Work: Worldwork, open forums, conflict facilitation, diversity, deep democracy, leadership, organizational work, team work
- States of Consciousness: topics include extreme states of consciousness, addictions, trauma and abuse, coma work, palliative care, dementia and near death states of consciousness
- Clinical Training: topics include supervision, training seminars, process labs, process theory courses

*Optional Transfer Credit: (not more than 25 hours)*

Transfer Credit is available for students who are not including the Winter Intensive Course as part of the Certificate. Prospective students may request up to 25 hours transfer credit for Processwork training completed within one year prior to enrolling in the Certificate. Transfer credit must be approved by PWI prior to enrollment.

### **Other Requirements:**

- **Learning Agreement** (submit within 1 month of enrolment)
- **Summative Project** (as specified in Learning Agreement) - provides closure and celebration of the student's learning experience. Examples include: a short written essay or write-up of supervision or video study; a brief visual presentation of Certificate learnings; workshop curriculum; or a creative project.
- **Maximum Certificate Duration:** 2 years if Winter Intensive included; or up to 3 years otherwise.
