## PPC Scholarships 2017 Eligibility and Selection Criteria

Portland Processwork Clinic is proud and excited to support the Processwork learning community. Scholarship recipients will be selected by the Portland Processwork Clinic selection committee based on the following criteria:

- Students accepted and enrolled in either the MAPOF or the Advanced Certificate programs
- Clarity and creativity of intention to use the training to benefit the community
- Preference given to students from underrepresented racial/ethnic minorities
- Preference given to students with financial need

## ABOUT US

The Portland Processwork Clinic is a group of Processwork Diplomates, graduates of the Process Work Institute. We welcome diverse individuals who are looking for support to resolve conflicts, find meaning, deepen or work with feelings and problems. The clinic offers affordable, confidential counseling and personal growth services for individuals, couples, families and groups.
